1981

The Dudley Memorial Building serves as administrative headquarters for the University. It is named to honor Dr. James B. Dudley, a former president of the institution.

AYANTEE

Vol. XXXVI

North Carolina Agricultural and Technical
State University
Greensboro, N.C. 27411

Table Of Contents

Pamela McCorkle, SGA president speaks at a press conference in reference to the Klan-Nazi not guilty verdict. Bobby Hopkins, special assistant to the president looks in.

Forest Knight is a cadet captain for Army ROTC (Reserve Officers Training Center).

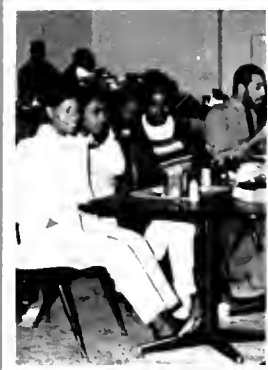

Volleyball is one of our favorite sports. In addition to keeping the body in shape it is also entertaining.

INTRODUCTION PAGE 1

ADMINISTRATION PAGE 17

CLASSES PAGE 49

After finishing eating many of us like to sit around and chat. Students above are shown in Williams.

ORGANIZATIONS PAGE 137

Parking is often a problem even in the parking lots. Parking in a no parking zone is an even greater problem.

ACTIVITIES PAGE 193

The Aggie football schedule stands in front of our long awaited stadium. It features a picture of the finished building.

SPORTS PAGE 225

James Pitt better known as the "Freak Master" performs as DJ for many of our campus discos.

STUDENT LIFE PAGE 289

Each day we are faced with a new awakening

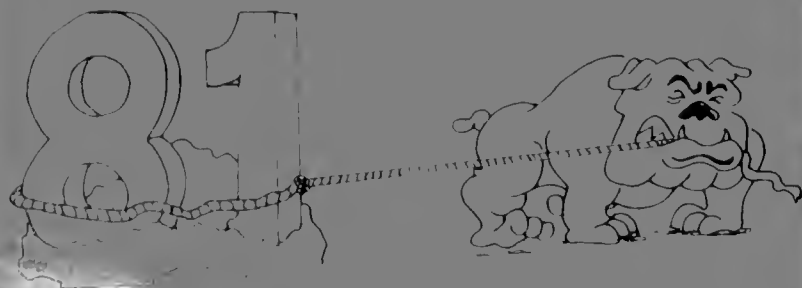

1. Keeping the campus clean is a top priority and so are the people who do so.

Mark and Ms. Miller in the usual daily debate.

3. The old Hicks is often seen hanging out the window of Scott Hall. He yells at every lady that walks by. Apparently he likes getting a good look.

4. Going to class is one of our favorite pastimes, but we try to show it off once every other week so it'll look good.

MOVIN' ON UP

1980 proved to be a prosperous year for construction. In addition to digging up the ground (below), several new buildings were added to our campus. Gibbs Hall (upper left) is a new branch of Hodgkin Hall. It houses such majors as history, political science, graduate studies, sociology and social services. Martina Hall (left) is our Physics building and below is our new administration building in progress.

AS THE DAY BEGINS . . .

Campus Cleaners, An '80 Addition

This year for the first time we have the convenience of a dry cleaning service right here on campus. Dwight is shown with an annual supply of clothes. Perhaps he can get them out before the semester is over.

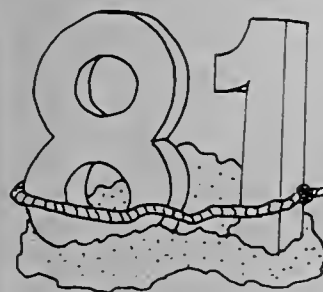

Starting the day in high spirits

The Tree of Knowledge

The tree of knowledge is located beside Cooper Hall. Students can be seen hanging out beneath it between and during classes. It's called the tree of knowledge because of its expertise in social knowledge. It is also a game room and air conditioning on a hot sunny day.

Registration . . . a test for patience

Registration and pre-registration are courses in patience required every semester. After waiting at least an hour in line you find that you are either in the wrong line or they just ran out of cards. By the time you finish re-arranging your schedule the next section you need is closed. If you blow your cool you fail the course. Just be patient and learn to wait forever and ever and ever.

... SO DOES THE STRUGGLE

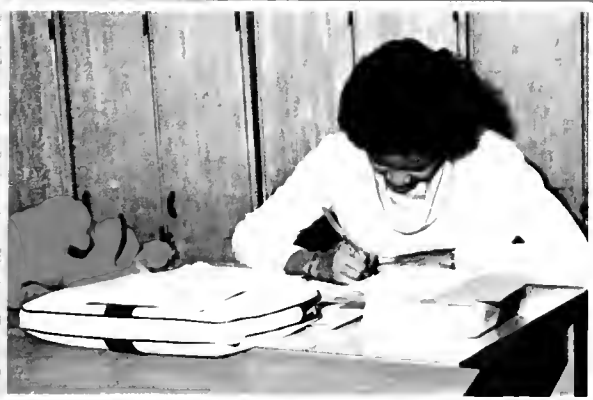

Getting "jacked up" and
a busy signal . . .
typical characteristics of

S
C
O
T
T

H
A
L
L

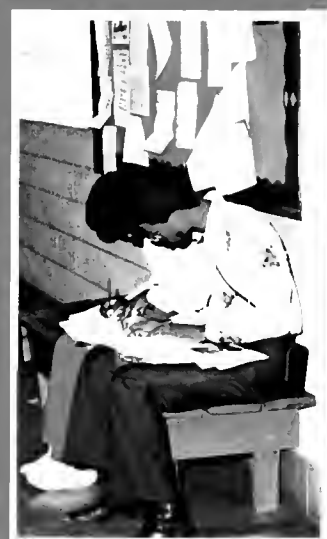

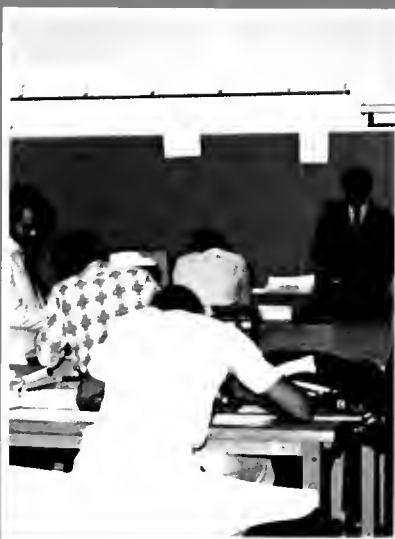

We Try to Prepare Ourselves for the Future

the booking never ends

Cramming, writing, reports and research—will it ever stop. Day in, day out students are seen rushing to the library an hour before an exam or the night before a ten paged typed term paper is due. There are just some things in academics that seem to be forever present and forever the same.

It seemed that every night there was going to be a big basketball game or every time you had to go out of town for the night, the next day you were having a big chemistry test or a big English test or both. Pop quizzes should have been a class by themselves. They popped up all right, just after a fight with your boyfriend or just after flunking a Physics test.

95 Years old and still doing it!

Charles M. Harris, a 95 year old musician entertained us at a "Rag-time-House" coffee break. The "Mastro" fascinated the audience. The event was sponsored by the Student Union Advisory Board.

Don't call us, we'll call you

Don't call us, we'll call you is the traditional response from an interviewer for a job. As we begin approaching that senior year, the question, "Where do I go from here?" comes to many minds. Application after application, interview after interview many of us receive that same response. Some of us are lucky enough to be hired. For others the search goes on.

... For We Know the Real Challenge
is Yet to Come

Yet We Always Make Time

Backgammon . . .
a favorite and
familiar game.

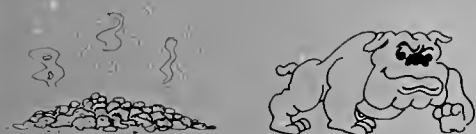

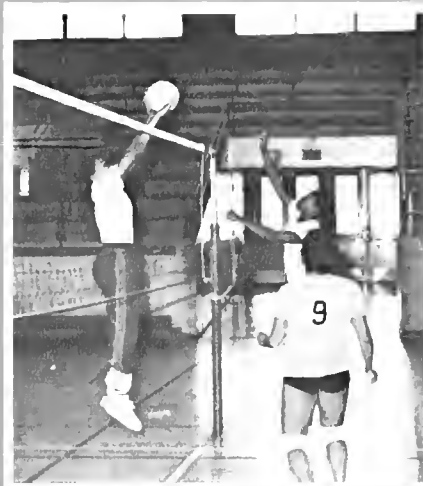

All around campus students can be seen rolling dice and moving little round pieces across a boxed board. They are usually playing either backgammon or "acee-ducee."

Backgammon came to campus a few years ago and has been a favorite game ever since. It often serves as an after meal "dessert" or a before meal "appetizer". Many students like to end their day with a competitive game of backgammon or "acee-ducee."

... For
the
things
we
like
best

FASHIONS

GALORE

Pictures shown are from a fashion show by Love Dove Productions. The show was sponsored by SU AB for the football team before their first game. Apparently the show boosted their spirits enough to win. The game was against Winston-Salem State.

THE 1980-1981 AYANTEE IS

PROUDLY DEDICATED TO ...

Chancellor Lewis C. Dowdy

DR. LEWIS CARNEGIE DOWDY DEDICATED HIMSELF TO A CAUSE ... (STRUGGLING) ... AND THE SACRIFICE WAS GREAT!

Mere Words cannot reflect the greatness of this man. Words cannot describe the devotion to duty and self-sacrifice that was necessary to build A&T College from near obscurity to the glorious position it now occupies.

Dr. Dowdy joined the faculty here in 1951, and became President of A&T College in 1964. It was a mere babe-in-the-cradle, lacking in the modern curriculum, facilities, and equipment. It is possible that in many instances it seemed impossible, but this man did not stop because he foresaw the North Carolina Agricultural and Technical State University of today. He envisioned the thousands of young men and young women who would pass through the University's doors with honor and dignity, and departing to serve humanity with the highest level of achievements.

Dr. Dowdy has the kind of courage possessed by certain types of individuals ... Heroes. It is with matchless joy, with sincere appreciation and with profound pride that we dedicate the 1980-1981 AYANTEE Yearbook to you, DR. DOWDY.

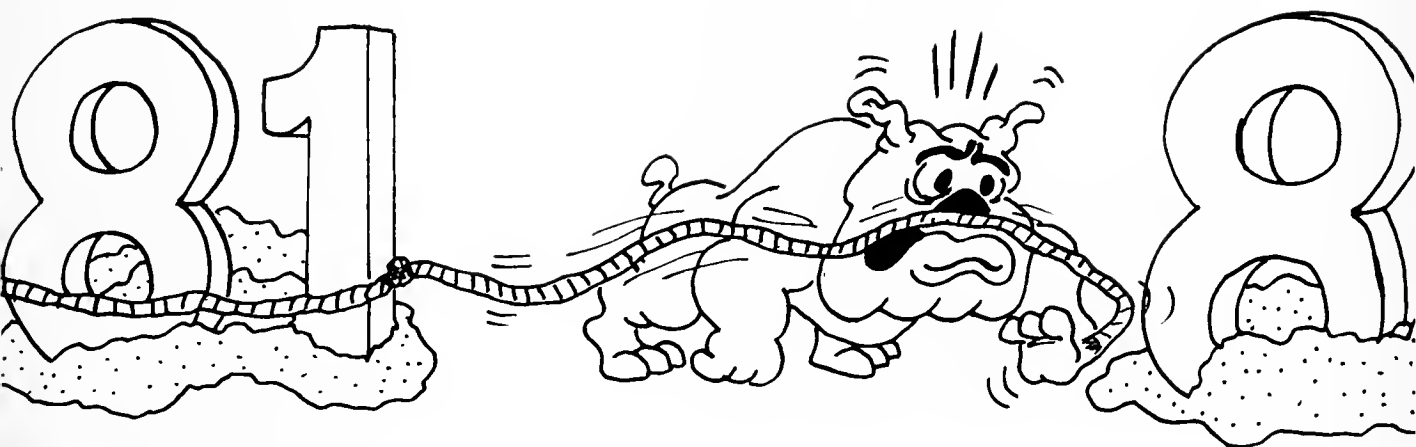

INTERIM CHANCELLOR

DR. CLEON F. THOMPSON

ADMINISTRATION

DR. LEWIS C. DOWDY

Office of the Chancellor

NORTH CAROLINA AGRICULTURAL AND TECHNICAL
STATE UNIVERSITY

GREENSBORO
27411
(919) 379-7940

GREETINGS:

It is my pleasure to congratulate the entire Aggie Family on this the Ninetieth Birthday of this great University.

Our Institution has, from the beginning, discharged its herculean task and pursued its defying multiple mission with determination, devotion, compassion and true courage. Like "A Tree Planted by the River of Waters," it would not be moved from its founding purpose. Like the "Rock of Gibraltar," A. & T. has remained steadfast in its objective to serve, through its students and graduates, as impregnable defenders of our rights, symbolic and realistic expression of our culture, and eloquent testifiers of immeasurable leadership contributions in forging a land where justice would have no tarnish, opportunity would have no boundaries, where freedom would have no limitations, where equality would have no prescriptions and where fraternity would have no qualification.

This Institution has opened its arms to the huddled masses, the dispossessed, the oppressed, the hopeless yearning for an opportunity, the deprived ones starving for a better chance and molded them into teachers, engineers, physicians, dentists, lawyers, social workers, accountants, nurses, scientists, scholars and astronauts who have taken their places in the front line of our country, fighting to make this truly a new nation, indivisible, with liberty and justice for all.

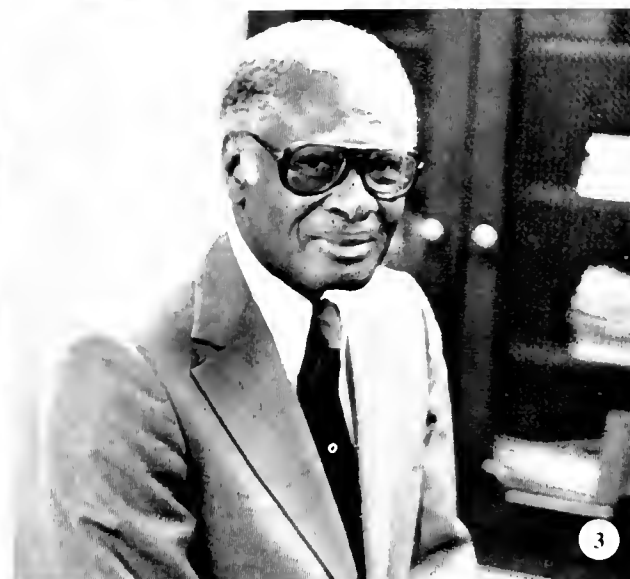

After sixteen years working with every segment of the Aggie Family, as President and Chancellor, I will retire from this post on June 30, 1981, with a leave of absence beginning November 1, 1980. The precious years working with you in our common task to build a great University has been filled with the greatest moments of my life, and I am pleased that, together, we have been successful in so many of our goals.

Mrs. Dowdy and I express our deep and abiding gratitude to the entire Aggie Family for your support, your courage, but most of all for your true love. We intend to stay here with you and enjoy even greater developments of our University. Thanks a million for all of your kindnesses shown to us over the years.

Lewis AND Elizabeth Dowdy

MOVIN' ON

1. After a day like this, I need to get away from it all.
2. Hey, how about you and me getting together later tonite. Don't worry I won't tell anybody.
3. Coming from classes after a long day of being bored to death.

3

Above: The more we read the less we understand.
Below: I know I've only been here 9 hours, but I can't take it anymore.

THE NIGHT BEFORE FINALS

T'was the night before finals
and all through the house
not a creature was stirring
not even a louse.

Chapters to be read
and studied with care
With hopes that graduation
would soon be there.

Instructors were nestled
all snugged in their beds
while visions of F's
danced in their heads

Struggling for a passing grade

The night before finals often turns out to be a very hectic and burdensome time. It is at this time when you are reminded of all those chapters you should have read, but put off until tomorrow. The library amazingly is no longer a social academy but a place to study. You study all night for those exams you will take tomorrow. For some there are few, but for others there are many and the more exams the more headaches. Often the exam is pivotal, meaning an A or B, C or D, and if worse goes to worst an F. After laboring all night taking in all you can, you find that during the test your eyelids close and your pencil falls out your hand. But that's all a part of the struggle if you want to receive a passing grade.

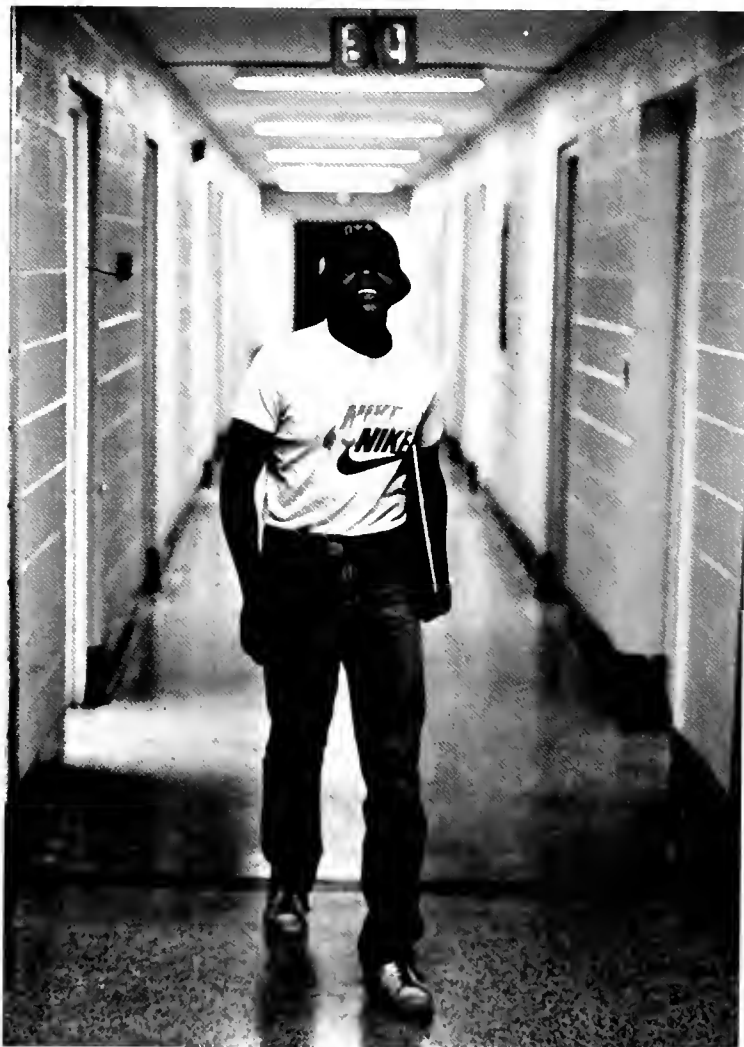

1. I think I finally have it.
2. I wonder where he hid the test.
3. You see Kevin, it's really not that complicated, you're just ...

KEEPING IN STEP

Keep In Step

The struggle is on and it is no time to lie dormant. We step to the music and keep up with the beat. In the same way we must step on through troubles and stay on our feet. Before we can step through the halls of victory, step through fields of joy, and step through the land of brotherhood. We must first keep in step with ourselves.

But Always In The End
Many rocks along my path
I stumble and I fall
But will they ever hold me down
I'm sure they won't at all!
Because I've fallen many times
Upon my searching face
Only to stand up again
And find my starting place!
So what if people put me down
Or laugh at me and such
They don't know just who I am
Or they won't laugh as much!
I'm a man who's fallen down
More times than you can count
But always in the end—
My horse I surely mount!

Warrenetta Massenburg is a native of Louisburg, N.C. She is a graduate of Louisburg Senior High.

One of Warrenetta's hobbies includes sewing and displaying her sewing abilities, which she so proudly did this past April in the "Miss Jabberwock" contest.

Warrenetta plans to major in clothing textiles and has a scholarship from the Delta Sigma Theta Sorority, Inc., of Henderson, N.C.

Warrenetta is born under the astrological sign of Cancer. When asked about A&T she replies, "I am glad and honored to be a part of the Aggie family."

"ONE IN A MILLION"

Nobles, Janice
Oliver, Howard

Gerald Williams is an 18 year old Sophomore Accounting Major from Washington, D.C. He chose to attend NCA&T because he feels that the education offered here is comparable to all other schools.

Besides being an honor status student, Gerald is a member of the SUAB and also holds the office of Sophomore Class Treasurer. He loves socializing, playing sports and just being himself, sweet, lovable, and innocent.

Upon graduation his intended profession is to become a certified Public Accountant. Any girl says that a chance with Gerald would be "A Chance of a Life Time."

LOOKING AHEAD

Reitha Shaye Zachary, a native of Hartford, North Carolina has come to A&T to further her education in Early Childhood Education. She is a sophomore, and a active member of Alpha Lambda Delta Honor Society. She plans to join the Air Force (ROTC) when she graduates. She enjoys partying, playing softball, volleyball, and football. She is born under the astrological sign of Cancer (July 13).

VFW
SAYS:
WSSC
IS ANOTHER
1 TO BITE
THE D...T

Climbing the stairways to ...

"If there is no struggle, there is no progress. Those who propose to favor freedom, and yet deprecate agitation, are men who want corps without plowing up the ground. They want rain without thunder and lightning. They want the ocean's majestic waves without the awful roar of its waters."

Frederick Douglas

Above right: Coolin' out after classes.

"MR. COOL"

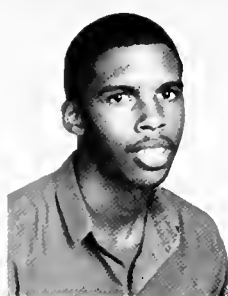

Steven Pridgen, born under the sign of Taurus is a 21 year old native of Washington, D C.

Steven chose A&T because it has a highly reputable background

"I like the closeness and friendly atmosphere the Aggie family projects," said Steven

Steven is a Sociology Major who enjoys all sports His biggest ambition in life is to become a detective Otherwise he just likes taking life nice, easy, and slow

A TOUCH OF CLASS

James Carrothers, a junior Business Management major from Charlotte, North Carolina has found a true home as an Aggie. In the 2 years he's attended A&T he has tried to get an all around college life. His freshman year he was a member of the Marching Band and Baseball team. His sophomore year, he pledged Kappa Alpha Psi Fraternity, and was sophomore class Vice President. This year James says his concentration is more on his education, with an outlook toward graduate school. He has been on the Deans' list since entering A&T, and a starting pitcher on the baseball team. His hobbies include sports, music, and reading. He has a younger brother, Kevin, who also attends A&T.

Victory is imminent in our struggle here. Three long years we've struggled so far. Being subject to various influences we have gone through many changes in our attitudes, morals, and perceptions of life. We have witnessed many vicissitudes in the moves and values of this nation. We have seen the declination of awe held of this nation. We have gone through many societal changes endemic to our people. Although one battle of the struggle will be won when we leave here, it is imperative that we fight our battle here vigorously, so that when we engage in the fierce battle awaiting us outside the University we will arise as victors to the mighty struggle.

LET'S GO
AGGIES!

SENIORS !!!

@ * # ~ ~ ~ * !!

I'M FINISHED...!!!

Yesterday I Realized

The years have come and gone
As my youth became matured,
Thus, half my journey's over
For the struggles I endured.

The sky now seems so wide
For tomorrow I am free,
The future and the world
Are my new found destiny.

Looking in the future
Past problems seem so small-
Why everyone I meet now
I must conquer them all!

So yesterday I realized
The road won't be too smooth,
Or if my walk is shaky
Everything I lose.

But today I think I'll sleep
And stop my contemplating,
For I just want to dream about-
Tomorrow I'm graduating!

Charles Conrad, Jr.

We have ventured from afar, on a perpetual quest, through the meandering roads of life. We have risen to the mountain tops, with our inner being profusely inundated with the fruits of life; love, joy and peace. We have descended into the valleys of malice and strife, faced with life's struggles. Struggles that challenge us mentally, physically, socially, spiritually and emotionally. We will surely encounter many obstacles in the game of life. But we must always struggle indefatigably. Not to suffer the bitter taste of defeat, but to drink of the sweet cup of victory.

SME

Society of Manufacturing Engineers was sponsored on A&T State University by senior chapter 82 in 1965, as an organization for the advancement of scientific knowledge in the field of manufacturing. Our members are serious students majoring in Industrial Technology and other related fields, who will work in various Professional fields to apply their knowledge in the manufacture of products.

Our activities are monthly joint meetings with the NAIT and the SAE. With prominate professionals also attending senior chapter meetings, private business meetings, beer and pizza parties and an annual picnic.

Groove Phi Groove Poem

In the beginning, Glorious
T'was a day in '62
When fourteen brothers
Proud and true
Stood strong and proclaimed
To all a decree
To promote Brotherhood and Unity.

They stood together and looked around
For someone to share what they had found
Looking to the stars to give a sign
Grave images took shape within their minds
Colors of black and white for all to see
A shield to ward off the arrows of adversity
With Unity of Spirit and Purity of Heart
These ideas that gave Groove it's start
To this I toast to each brother far and near
To all that hold Groove Phi so dear.

In memory of each Founder as they once stood
I toast to thee, Sweet Brotherhood!
Fortman Richardson

ALPHA PHI ALPHA FRATERNITY, INC.

BETA EPSILON CHAPTER . . .

BROTHERHOOD IN UNITY . . .

Alpha Phi Alpha Fraternity, Inc., the first intercollegiate Greek letter fraternity established for black college students, was organized at Cornell University, Ithaca, New York, in 1906. The first unit of this national fraternity, organized by college men of Afro-American descent, was called Alpha Chapter. The fraternity was born out of the desire for maintaining close association and unified support for members of this small minority group, inasmuch as they were denied, for the most part, the mutual helpfulness which the majority of students attending their university regularly enjoyed. The seven, visionary founders at Cornell, Arthur Callis, Charles Chapman, Eugene K. Jones, George Kelly, Nathaniel Murray, Robert Ogle, and Vertner Tandy, labored in the years of severe economic struggle and racial conflict in the United States. Despite their difficulties of organization in this untamed field of student life, the early fraternity pioneers succeeded in laying a firm foundation and remained steadfast in their goals pointing toward development of the fraternity's membership — that is the espousing of the principles of good character, sound scholarship, Christian fellowship and the uplifting of humanity, especially the struggling black minority in the United States.

Beta Epsilon Chapter, the local satellite of Alpha, continues to keep Alpha Phi Alpha **FIRST OF ALL BLACK GREEKS!**

KAPPA ALPHA PSI FRATERNITY INC.

The Alpha Nu Chapter of Kappa Alpha Psi was founded here at A&T on April 14, 1933, and has been a leader in Achievement for some 47 years.

James M. Vincent Jr., Basileus of the Mu Psi Chapter of Omega Psi Phi Fraternity.

On November 17, 1911, sacred to all Omega Men, the Omega Psi Phi Fraternity was born on the campus of Howard University. Founders of this first Greek letter Black fraternity on a Black college campus were Edgar A. Love, Oscar J. Cooper, Frank Coleman, and Ernest E. Just. The fraternity was founded with the belief that "Friendship is essential to the soul" thus this became the fraternity motto. The cornerstones of Omega Psi Phi Fraternity Inc. are its four cardinal principles — Manhood, Scholarship, Perseverance, and Uplift. Since its founding, Omega has grown from the Mother Chapter, Alpha, at Howard to some three hundred graduate and undergraduate chapters throughout the United States, and six international chapters which collectively claim nearly 60,000 Omega men.

The undergraduate chapter on this campus is Mu Psi, founded here in 1927. Mu Psi has in its membership some of the finer men at A&T. They serve the campus and community throughout the year with various social and service projects.

THE RICHARD B. HARRISON PLAYERS

SCENES FROM MULATTO

History of the Theatre

The Richard B. Harrison Players were named for a former instructor of dramatics and elocution, Richard Berry Harrison, a black Canadian. Harrison served A&T College during the early thirties and resigned to take the role of "De Lawd" in the prize winning Broadway play *THE GREEN PASTURES* by Marc Connelly. His skillful and masterful portrayal of God brought international recognition to Mr. Harrison, and critics feel certain had he not been stricken with a mortal illness, his fame would have been notable for more than this solitary role.

The college, recognizing the contribution of Mr. Harrison to American Theatre, has named its dramatic organization and its auditorium in honor of him.

Previous directors of the Richard B. Harrison Players were: J. Percy Bond, B. N. Roberts (1944-45), Pearl Garrett Bradley (1945-47), Roy Howard Brown (1947-49), Sylvester Freeman Clarke (1950-57), John Marshall Stevenson (1952-58), Sandra Bowen Motz (1958-62), Dr. John M. Kilimanjaro (1962-81).

Outstanding graduates of the professional theatre program include Lorey Hayes (summa cum laude) 1973 who is currently starring on Broadway at the Cort Theatre in the drama "HOME"; Deborah Williams (cum laude, 1975), staff member Illinois State Repertory Company and M.A., Southern Illinois University; Alfred Maek (cum laude, 1975), M.F.A. Catholic University; Artist-in-residence, Smithsonian Institution; Elliot Moffitt (1977); M.A., New York University, Artistic Director of Theatre, Fayetteville State University and many others.

Annual observances are Awards Night Banquet, Play Festival of the National Association of Dramatic and Speech Arts (NADSA) which members some 100 traditionally black colleges and universities and Black Studies organizations at white administered institutions in the Far West, North and Eastern United States.

DELTA NU ALPHA

Delta Nu Alpha Fraternity was formally organized in 1945. Chapter 229 ATSU came into existence at North Carolina A&T State University in 1978. Delta Nu Alpha was founded on the principles of Education and is a continuing learning process with its objectives serving the member, the chapter, and the fraternity alike.

Each year the fraternity grows. There are now approximately 200 chapters with over 10,000 members across the nation with representatives from every state in the union.

HOMECOMING '80' HOMECOMING
HOMECOMING '80' HOMECOMING
HOMECOMING '80' HOMECOMING
HOMECOMING '80' HOMECOMING

Thurscombing '80 was an event uneasy to forget. Sunday night began the week of activities with gospel music by our Fellowship Gospel Choir. On Monday we were entertained with a parade of fashion sponsored by Studio IV Ltd. The International Coronation with Miss Ina Croocharan as their reign took place on Tuesday.

The University Convocation took place on Wednesday morning, and we all got to sleep late. Thursday night served as the most talked about event, the coronation of Miss A&T. The all-night dance lasted until 5 o'clock a.m. After the jam, students hurried to Williams Cafeteria for a pre-dawn breakfast. Back to the rooms for a quick nap, then up again for the parade at 10 o'clock Saturday morning. Kick-off time was at 1:30 p.m. with a 52-0 defeat in our favor. After the game fans rushed over to the University plots for a step show. Next came dinner over at a friend's house, and the traditional chitterlings.

The show turned it out with Fatback SOS band, Jean Carné and Family. The annual Aggie family worship service with Rev. Gilbert Caldwell as guest preacher brought the entire week of events to a close. A whole week of Fun! But...

Something Out of the Blue

“Something out of the blue” — and gold — a place with challenge served as theme for the coronation of Ciara Shaw, Miss A&T. The event was held in Corbett Sports Center. David Burton broke out with a welcoming, “This is it. The first act included Alicia Croston and Kevin Smith singing “Born Again.”

The theme was an attempt to transcribe the "Anglo-Society" from the traditional to the modern. Scenes from "Aunt Mischkevin" were used in the second act showing past times preparing for a homecoming dance. Despite technical difficulties the show went on.

The parade of organization queens was one of the main attractions. Last but not least was the entrance of Miss A&T's Court, followed by Miss A&T.

M. A. I. and her family for 1980-81.

... And Gold,

A Place With Challenge!!

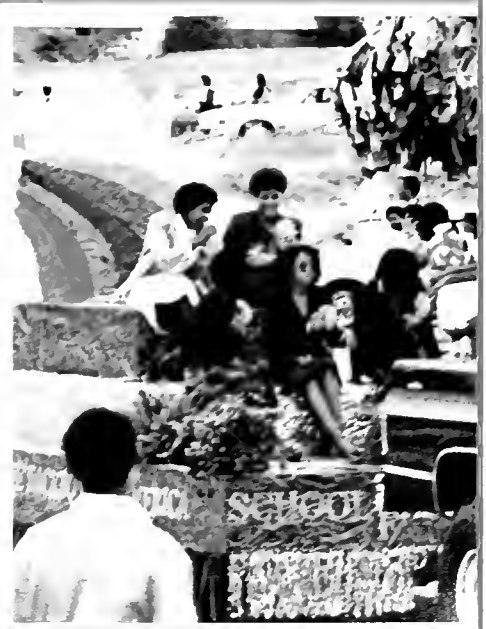

HOMECOMING PARADE

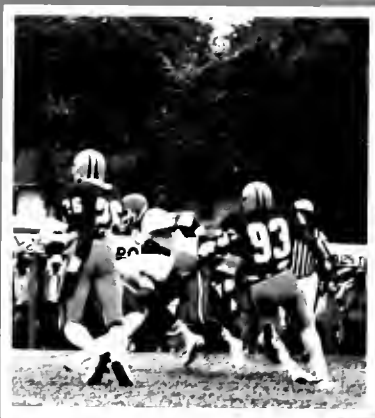

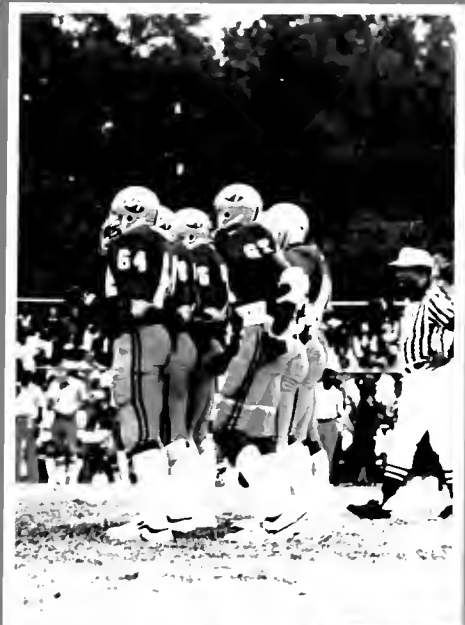

Steppin' Out

The homecoming parade was held Saturday morning to highlight the pregame activities. The weather was nice so things were starting out in our favor. Despite the slight delay the spectators waited patiently. Many floats, decorated cars, motorcycles, and lots of pretty girls (even the not so pretty girls looked pretty) rode by. Drill teams and marching bands were an added attraction. The community as well as various organizations on campus struggle to make the Homecoming Parade a success.

STUDENT LIFE

The Classroom STRUGGLE . . . Where does it end

1. Just what we need after a hard days work . . . more work!
2. He said a quiz, not a book!
3. Now class, quit gripping, 50 chapters really isn't all that bad.

... Or does it ever?

Every day it's the same ole', same ole'. One stupid assignment after the other. Although its suppose to be important, it is difficult to understand why you'll ever need to know $e = mc^2$ after graduation. And worst of all you have to pretend the information that seems greek is interesting. Well some of us do and others of us make fun of the teacher to stay awake. Plus there's always the brains that know everything. Some say it'll all be over at graduation. Others say ... what's a graduation?

STOP!

... right where
you
are.

- ... Hanging out during exam week.
 - ... Corrupting vulnerable minds.
 - ... Telling lies.
 - ... Cheating on tests.
 - ... Bugging people.
 - ... Fooling around in the dorms.
 - ... Cutting out on your honey.
 - ... Getting high and going to classes.
 - ... Playing with peoples emotions.
 - ... Cutting class.
 - ... Making fun of your teachers.
 - ... Being mean to your roommate
 - ... Leaving trays on the table in the cafeteria.
 - ... Sleeping in class.
- Say what! Can't stop?

When I ask you to listen to me and you start giving me advice, you have not done what I asked.

When I ask you to listen to me and you begin to tell me why I shouldn't feel that way, you are trampling on my feelings.

When I ask you to listen to me and you feel you have to do something to solve my problem, you have failed me, strange as that may seem

Listen! All I ask is that you listen, not talk to or do — just hear me.

Advice is cheap; 20¢ will get you both Dear Abby and Billy Graham in the same paper.

I can do for myself; I'm not helpless — Maybe discouraged and faltering, but not helpless.

When you do something for me that I can and need to do for myself, you contribute to my fear and inadequacy.

But when you accept as a simple fact that I do feel what I feel, no matter how irrational, then I can quit trying to convince you and can get about this business of understanding what's behind this irrational feeling. When that's clear, the answers are obvious and I don't need advice.

Irrational feelings make more sense when we understand what's behind them.

Perhaps that is why prayer works, sometimes, next in line for some people — because God is mute, and He doesn't give advice or try to fix things.

He just listens and let you work it out for yourself.

So please listen and just learn me.

And if you want to talk, wait a minute for your turn — and I'll listen to you.

Could
You Just
Listen? . . .

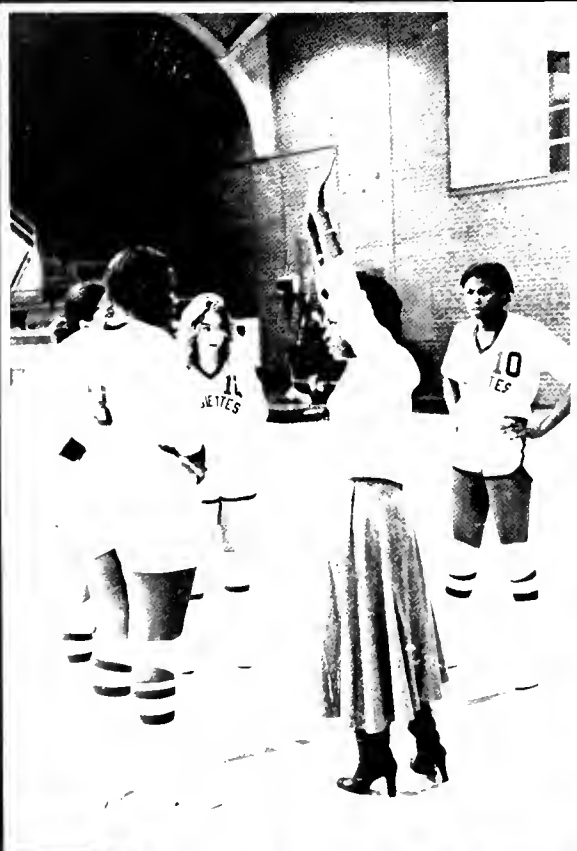

TO EVERYTHING THERE IS A SEASON

A time to Kick

A time to Reflect

A time to Reach

A time to look Forward

and a time to every purpose under the Heaven

A time to Work

A time to Play

A time to Eat

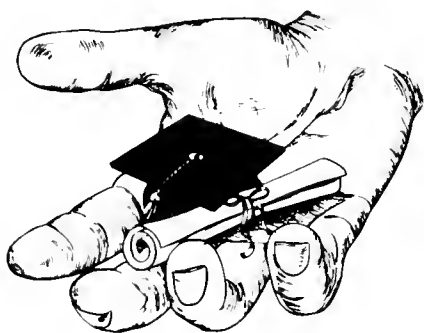

A time for Caution

Yesterday is
but a
dream . . .

. . . and tomorrow
is only
a vision

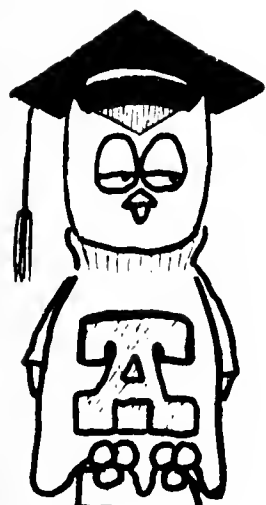

But Today Well Lived, Makes Every
Yesterday A Dream of Happiness
And Every Tomorrow A Vision of Hope

The man
who
never
made a
mistake

A great number
of otherwise well-qualified
men
never seem to rise
above a certain level.
They seem to have
a deathly fear
of ever being
wrong.
They never want
to make a decision
because they never want
to make a mistake.
If it is your goal
in life to be
known to your associates
as the man who never made a mistake,
then be prepared
to be known also
as the man who never
really
accomplished very much.
Today, make a few
decisions
on your own.
They may be right
or they may be wrong.
But you made them—
and tomorrow your
boss may also give you a raise.

WOMEN'S COUNCIL

Women's Council is an organization composed of on-campus women. They sponsor several events throughout the year for the young ladies. Some annual events include the Christmas dance, dorm parties and speakers throughout the year. Their primary purpose is to recommend policies, regulation and adjustment pertaining to affairs of women students at North Carolina A & T State University: (a) To aid in developing competent leadership, (b) to encourage good scholarship and personal development, and (c) To promote cultural, social recreational and educational activities for women students. This organization is open to all on-campus students paying annual dues.

"I thank God for my parents, whom I love so dearly. My mother, always standing with a warm encouraging heart, taught me to love and respect others. My father, a proud man, instilled within me a sense of pride and confidence which enabled me to be an initiator of progress rather than an idle participant. I thank my parents for living a life that showed me that God was a manifest power — not a latent or nonexistent one — that he would intervene in time of need if you would only ask and believe."

AGGIE SPORTS

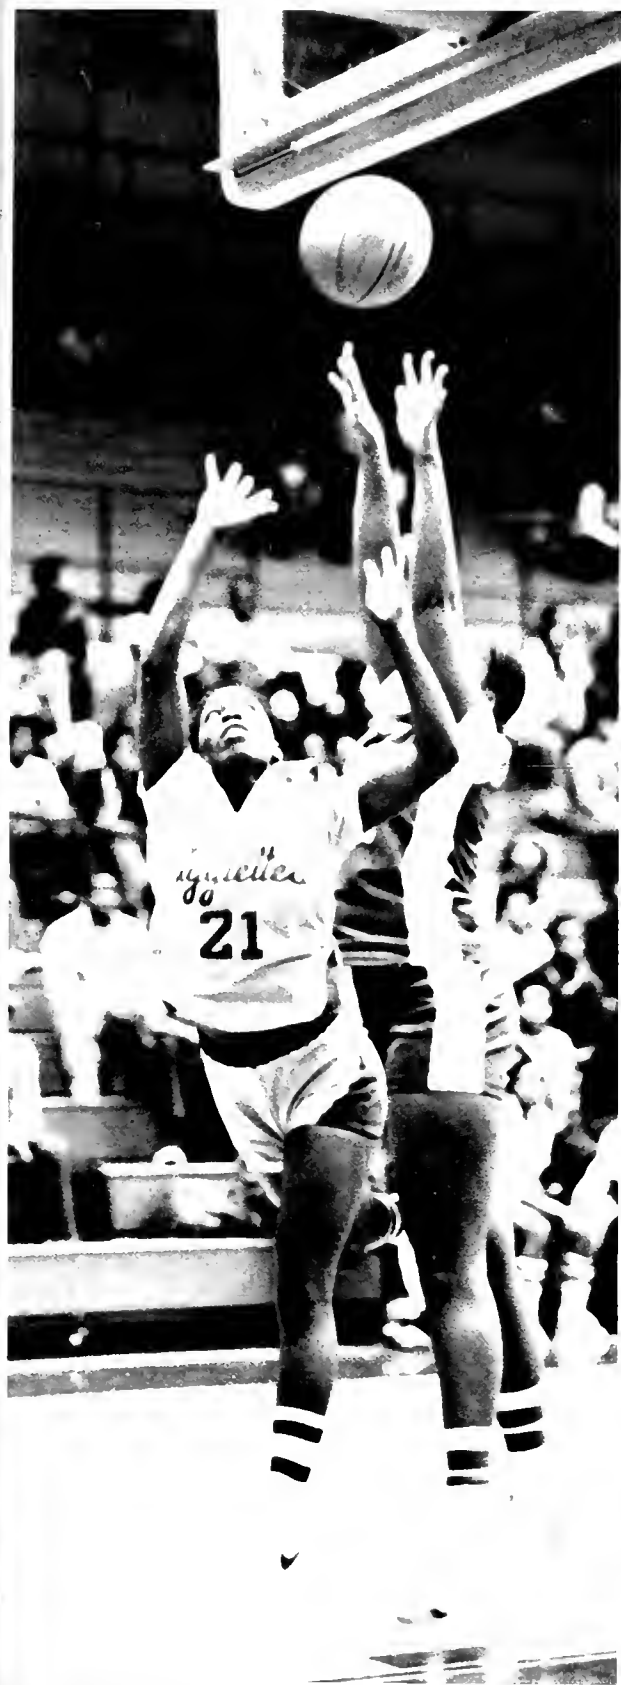

The Athletic Struggle

The skill of an athlete is pursued by his great endurance. It requires a lot of time and energy. Many hours of hard work are put into practice and days on the road. Often the trip takes more than one day or night, causing the athlete to miss classes. Upon returning the work must be made up in addition to added assignments.

Throughout the season the athlete makes many social and academic sacrifices. Vacations are cut short and even off season he still has to keep in shape. It is quite a struggle trying to stay on top in sports, at the same time make good grades and keep up with the happenings. However most Aggies manage to conquer them all!

AGGIE

"Headed for the Big Time?"

In year's past, the Aggies have had some great baseball teams, and this year is no exception. The Aggies are led by Coach Melvin "Big 10" Groomes who has been coaching baseball here at A & T for more than 15 years. The Aggies are returning some outstanding players from last year's team. In the outfield the Aggies are led by Junior Captain Michael Drumright from Bayville, N. J., Senior Stanly Jenkins from Asheville, N. C. and Sophomore Godfrey Fulmore from Westwood, N. J. If Drumright and his co-horts in the outfield stay healthy, it can spell trouble for many of the A & T opponents this year. In the infield the Aggies return Herbert Jackson, Michael Myers from Columbia, S. C. and John Marshall from Lakewood, N. J. The Aggies return (5) five outstanding pitchers in Frankie Braithwaite from St. Thomas, Virgin Island, Kenneth Carpenter from Raeford, N. C., Tony Linney from Greensboro, N. C., James Carrothers from Charlotte, N. C., and Anthony "T. J." Jackson from Washington, D. C. Jackson is the top reliefer on the Aggie pitching staff and may be called on to move into the starting rotation this season. The Aggies also have some outstanding Freshmen in the likes of catcher Frank Drumright who will almost be a sure shot for the starting job behind the plate. Roake Wright, a freshman from Cincinnati, Ohio also will be an aid to the Aggie pitching staff. The heading of this story really tells it all, that the Aggie's are definitely headed for the Big Time.

The ball players . . . ready for the Big Time.

Shirley Hall . . . "Dedicated Student and Athlete!"

Shirley Hall's first exposure to organized sports was her ninth grade year in school. She attended Southern Nash Junior High School and played for the school basketball team. She was a forward and here began her participation that continues through this day. Shirley was voted Most Valuable Player and lead the team in scoring and rebounding.

Shirley came to A & T in January 1978 and has played varsity basketball for three years and softball for two years. In basketball she started all three years and was chosen to be the team's captain this year. Her individual high rebounding was 22 against North Carolina Central and best point output was 31 points against Bennett College.

In softball Shirley started every year. In 1979, A & T women won the State Championship in softball. She was left-fielder for that team and was voted to the All-Tournament team.

Shirley is majoring in Health and Physical Education and hopes to teach and coach when she earns her degree. She enjoyed A & T and has made many new and wonderful friends from throughout the state and country. The fans and student body has supported her and the team with a great deal of enthusiasm.

GOLD BOWL

1. Aggies rejoice after their great defeat over NCCU. (Looks like the funky Eagle broke his wing)
2. O.K. referee, off the field so we can get on with the throw down.
3. Billy Mims heads for a touch down.
4. Dennis Colt, Kevin Robinson and Eric Westbrook sit on the sideline waiting to get a piece of the action.

AGGIES Shutout EAGLES, 37-0 In Gold Bowl

By Wade Nash

There was a degree of concern from the Aggie coaches about how serious the players would be in their rematch with North Carolina Central. But it took only 3 minutes and 22 seconds to remove that thought and A & T went on to shutout the Eagles 37-0 in Richmond, Va.

The Gold Bowl was supposed to be Central's chance for revenge but it only proved the Aggies' earlier dominance was no fluke.

In the first contest the Eagles were destroyed by Roland Myers, Waymon Pitts, Cleotis Johnson, and Frank Carr. On this occasion it would be the Aggie Defense, William Watson, Cleotis Johnson, Billy Mims, and Central's ability to turn the ball over deep in its territory.

William Watson directed the opening 78-yard drive in six plays. Watson scored on a two-yard run.

The Aggie defense had a tougher time catching the coaching staff for the traditional throwing in the showers than they did stopping the Eagles. The defense controlled the line of scrimmage and allowed only 62-yards rushing. The longest run for the Eagles was a 12-yard scramble by QB Ken Pugh. The Aggie defensive front kept pressure on both Eagle quarterbacks for 51-yards in sacks. Norton Majors, Leslie Blackburn, Gerry Green, John Ogburn, James Williams, and Randall Ponder destroyed Central's offense at the point of attack. Dennis Coit, Frankie Chesson, Eric Westbrook, Kevin Robinson, Joe Clyburn and everyone else that played struck fear in the Central receivers forcing dropped passes and fumbles which the Aggies turned into quick scores. Kevin Robinson, Frankie Chesson, and Richard Griffis contributed with an interception a piece and the defense registered a two-point safety, sacking Central's Charles Yuille in the endzone.

The Aggie offensive line cleared the way for 306 yards rushing. William Watson hit Billy Mims for a 43 yard touchdown pass and Roland Myers passed to Frank Carr for a score. Cleotis Johnson and Charlie Sutton both rushed for touchdowns.

A & T established a school record of 9 wins for a season, breaking the old record set in 1968 when Hornsby Howell's squad won the National Black College Championship with an 8-1 record.

Senior William Watson was named the Gold Bowl's Most Valuable Player Saturday and it ended an outstanding season for the talented quarterback.

1. Greta Shaw, Miss A & T takes part in the Gold Bowl festivities.
2. Donald Spiceley — making his move.
3. William Watson prepares to pass the ball.
4. Lets go Aggies!

Candid
Camera!"

The spell of Cherry Hall.

SOMETHING TO SMILE ABOUT
Being an Aggie is really something to smile about. Folks from all over are right here. They come from many various parts of the world; and they still end up here at A & T. With such cultural varieties, being a member of the Aggie Family is something to be happy about — so SMILE AGGIES!

Getting there.

Bottom — Leonard Jones having reveries of ...

Life . . . a Struggle

Valerie Johnson and Stroza Hill engage in a few relaxing moments watching the television.

The cost of off campus living is sky-rocketing with the rapidly increasing inflation. Room and board for campus students is 684.50 per semester. Off-campus students pay between 8175 and 8250 a month for rent on a two bedroom apartment without utilities included, and 8275 — 8325 with utilities included. Food ranges from 30 to 50 dollars a week. If you find yourself in a bind wondering where your next meal will come from just sit down and watch a little television or listen to a little music, and everything will be alright.

Valerie Bryant puts on a little music to help pass the time away.

REGISTRATION . . .

. . . the only place
where you get more
hassle for your money

A Financial Struggle

Registration is where it all begins. The long lines, with the pushing, the tired feet and the eternal waiting. The wrong lines, as you find out after finally getting to the cashier who cheerfully steers you to the back of another waiting line. The worry lines you get from waiting in the long lines and the wrong lines. It's a hassle and a struggle. Initiation one might call it. An unpleasant link all students share. The money floating from hand to hand all for the furthering of one's education. It seems like there should be a better way ...

1. "I don't care how long you've been waiting. This line is ready to close!"
2. "I can't help it if it wasn't on the computer print out. You still owe us \$300.00."
3. "My fifth time in line ... I hope I'm finally in the right one."
4. "It looks like the lines are getting longer instead of shorter."
5. "You mean its still not correct?"
6. "Money! Money! Money! ...
"Look at all this bank."

BLACK COLLEGE DAY '80 BLACK COLLEGE DAY '80 F

The N.C. A & T State University Aggie Family participated in the revitalization of interest in the 108 traditionally Black colleges in order to draw attention to the threat of their continued existence.

Approximately 300 members of the Aggie family journeyed to Washington, D.C. on September 29th, 1980 for the Black College Day '80 demonstration and march. Singing chants like "The Aggies Run This City," "Give Me an 'A'" . . . , "Give me that 'old Aggie Spirit'" and etc. The Aggies marched victoriously shoulder to shoulder, arm in arm down Pennsylvania Ave. to awake the nation and arouse its attention to the great predominantly Black institutions like A & T. Over 20 thousand pairs of marching feet slammed against the D.C. concrete after rousing and uncharacteristically short speeches were delivered such as Pam McCorle's (SGA President).

It took many days of rallying in Holland Bowl, TV appearances, radio lecturing, and newspaper writeups for the Aggie family and the other 107 predominantly Black institutions to openly support the objectives of saving Black colleges. The point was made when the mass of students gathered at the Ellipse and moved up Pennsylvania Ave. to the steps of Capitol Hill. The hearts were touched when Dick Gregory told how integration must never mean liquidation of Black colleges. Minds were opened when Tony Brown of Tony Brown's Journal told of how we must reverse the trend of eradicating Black Colleges, while marching bands and bass drums massaged the hearts.

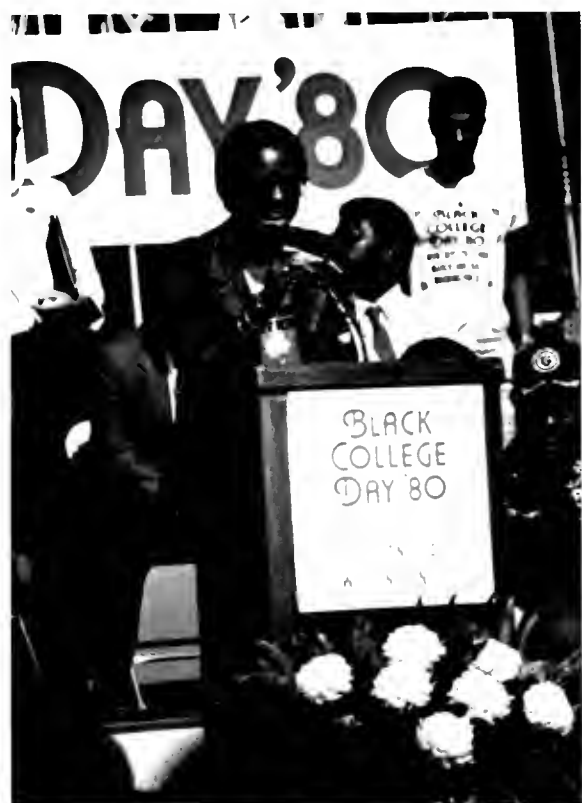

Had you been there, you would have seen how in strength, there is unity and how unity is A & T. You would know, and no one would be able to tell you differently; Black College Day '80 was an important and successful event. Not only was Black College Day '80 in Washington, D.C. on that bright sunny day a success, but Black College Day '80 was just the beginning — and nothing can stop us now!

Bobby Roydel Hopkins,
Special Assistant
to the SGA President

Jackson Speaks on the Presidential Candidates

October 1980, Jessie Jackson visited A & T's campus for a board of Trustees meeting. The main issue on the agenda was a discussion on the chancellorship which had been left vacant by Chancellor L. C. Dowdy's early retirement. The announcement of his early retirement came as a shock to some, although there had been rumors asserting that his abdication was near.

While on campus Jackson made an appearance in front of Williams Cafeteria to address the student body. He presented his views on the upcoming presidential election, stressing the importance for blacks to become politically astute. Characterizing Congressman John Anderson as half a candidate and Ronald Reagan — Who subsequently won the election — as a Right wing extremist and jingoist, attempted to win support for the incumbent President Jimmy Carter. He also pointed out the need for Blacks to remain tenacious in their struggle to preserve their institutions.

In Loving Memory of

Vernon VanDyke Day, better known to his friends as "Kooky", was born July 27, 1960 in Alamance County, North Carolina. He was the son of Ms. Eva Day. His life ended suddenly at the age of 19 years, while he was playing recreational basketball. Prior to his death, Kooky was a sophomore transportation major. He attended N.C. A & T State University August 1978 — April 3, 1980. Kooky was loved dearly by all who knew him.

"When I must leave you for a little while,
Please do not grieve and shed wild tears
and hug your sorrow to you through the years,
But start out bravely with a gallant smile;
And for my sake and in my name
Live on and do all things the same,
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near,
And never, never be afraid, be afraid to die,
For I am waiting for you in the sky!

“Who said the food wasn’t good?”

“Not I!”

“Not Us!”

“Not Me!”

“And definitely not us!”

Hangin out in the Student Union
The Memorial Union serves as the leading social academy on campus. It is a place of fun and games, dining, studying and last but not least — socializing. Many various activities such as dances, gathering, and important meetings, (like the guy who sits next to you in class), take place in the union. The Memorial Union is our favorite hang out.

1. Harold Tyson tries for the corner pocket.
2. For the fifth time Norman, "If you want a soda — buy you one!"
3. "Hey, could you lend me a dime."
4. "No Chester, Chuckie has it all wrong . . . as usual," explains Mike.

"UNIONIZING"

THE STRUGGLE GOES ON!

Where does it end?

or . . .

Will it ever?

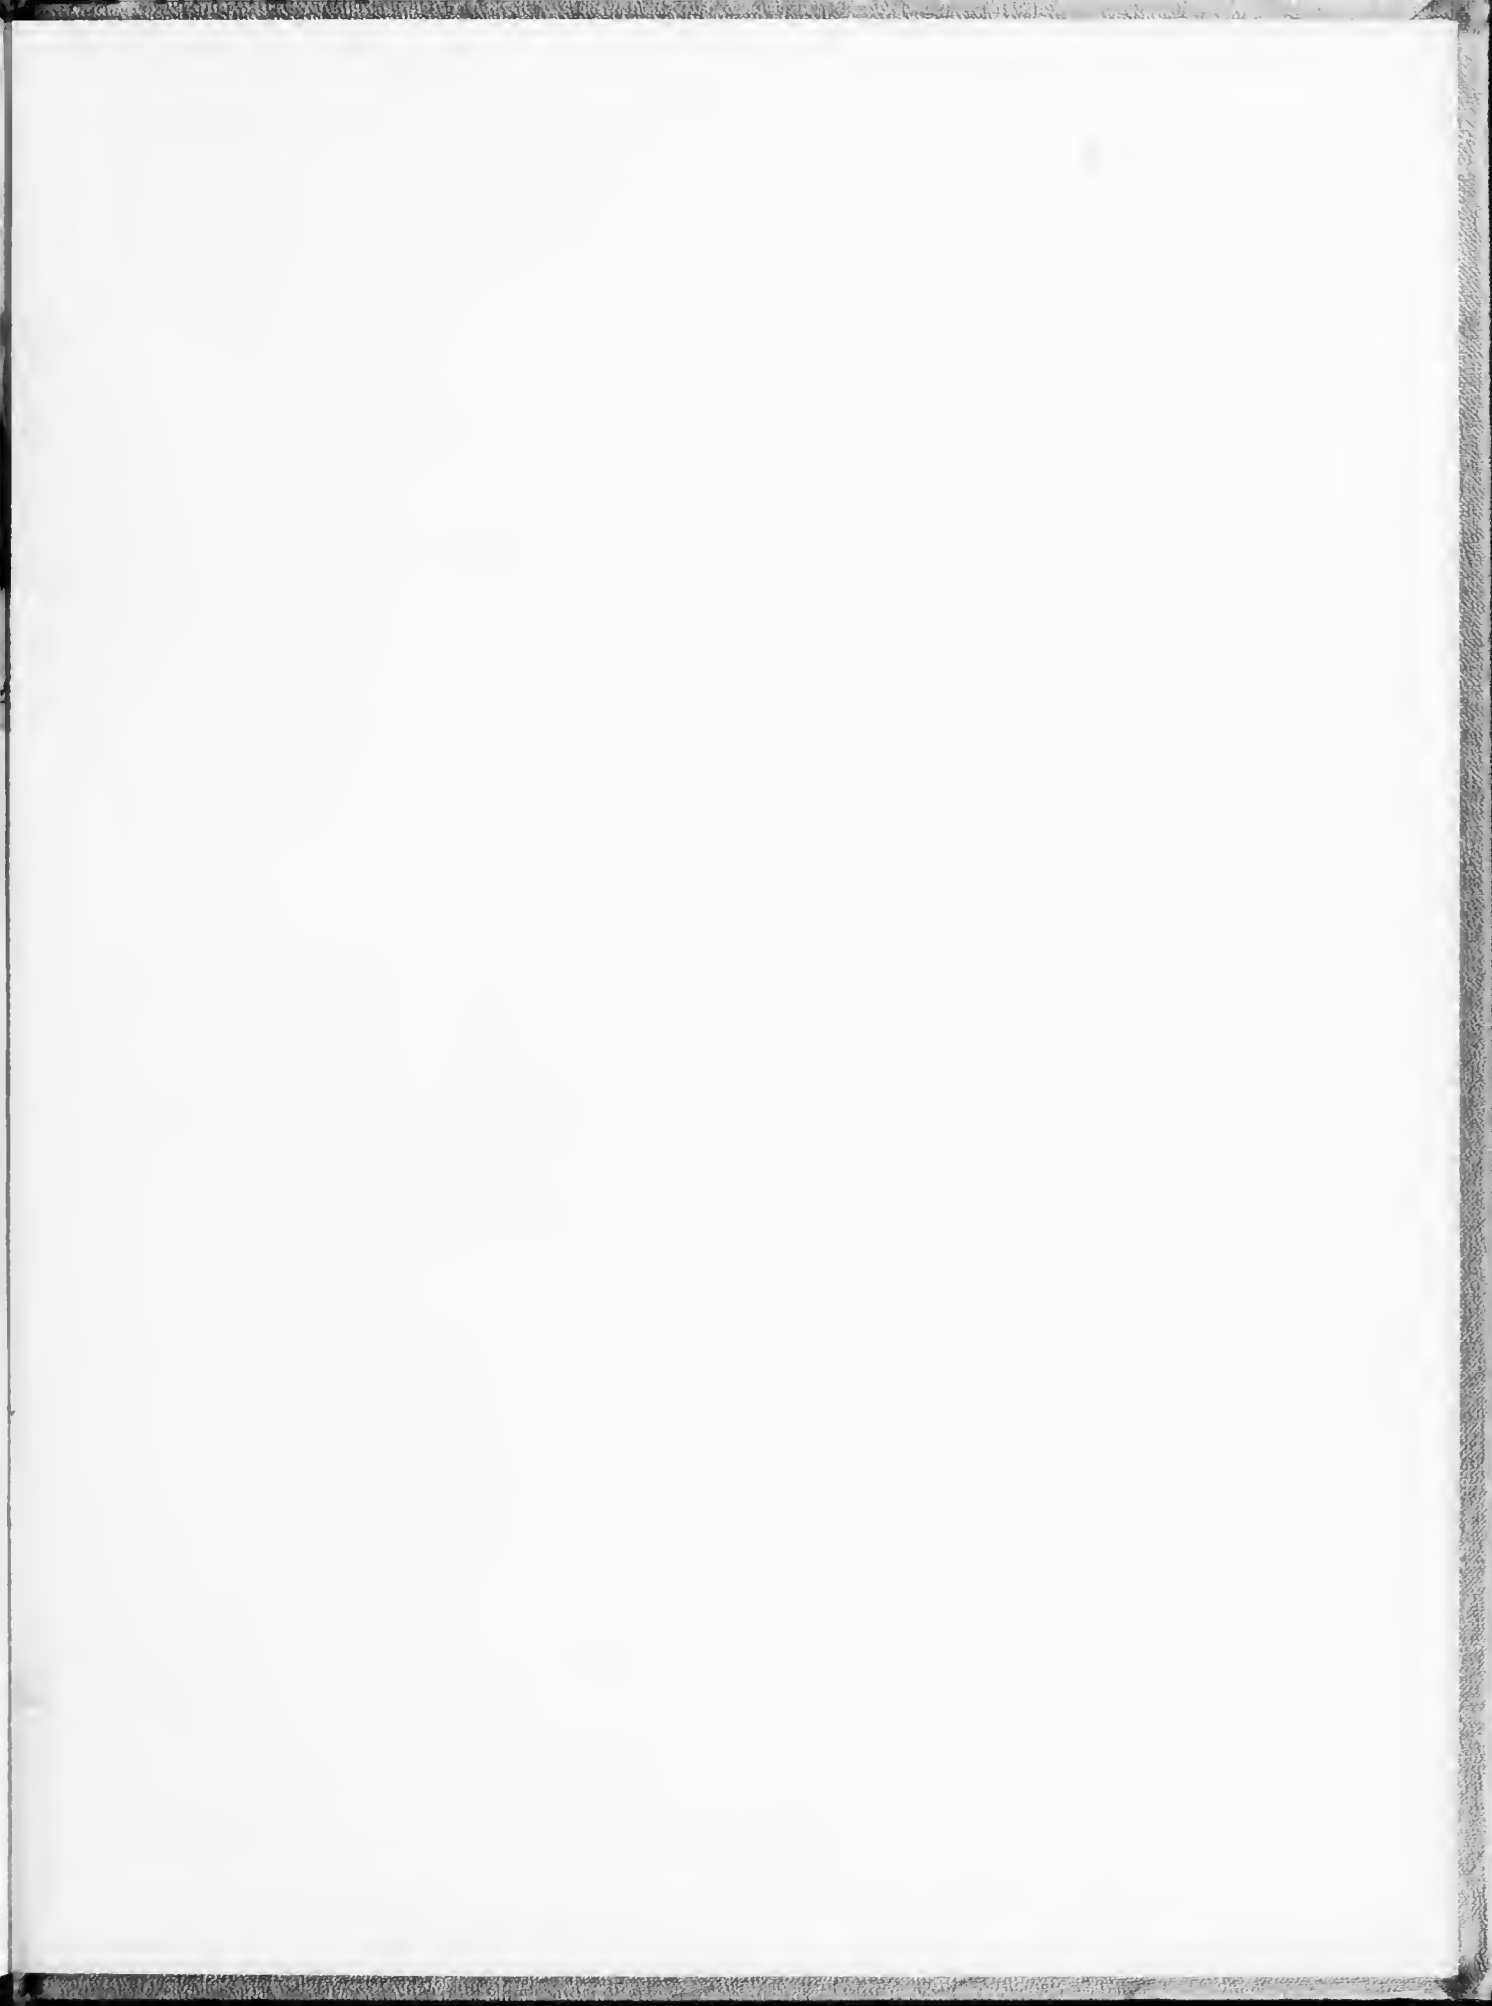

1. Yolanda Lee practices her flute as she sits surrounded by her numerous awards and accomplishments.
2. Carlos Scivally shows off his artwork to Johnnice.
3. "Lighten up, it's freezing down here."
4. "I'll speak next time . . . I promise!"

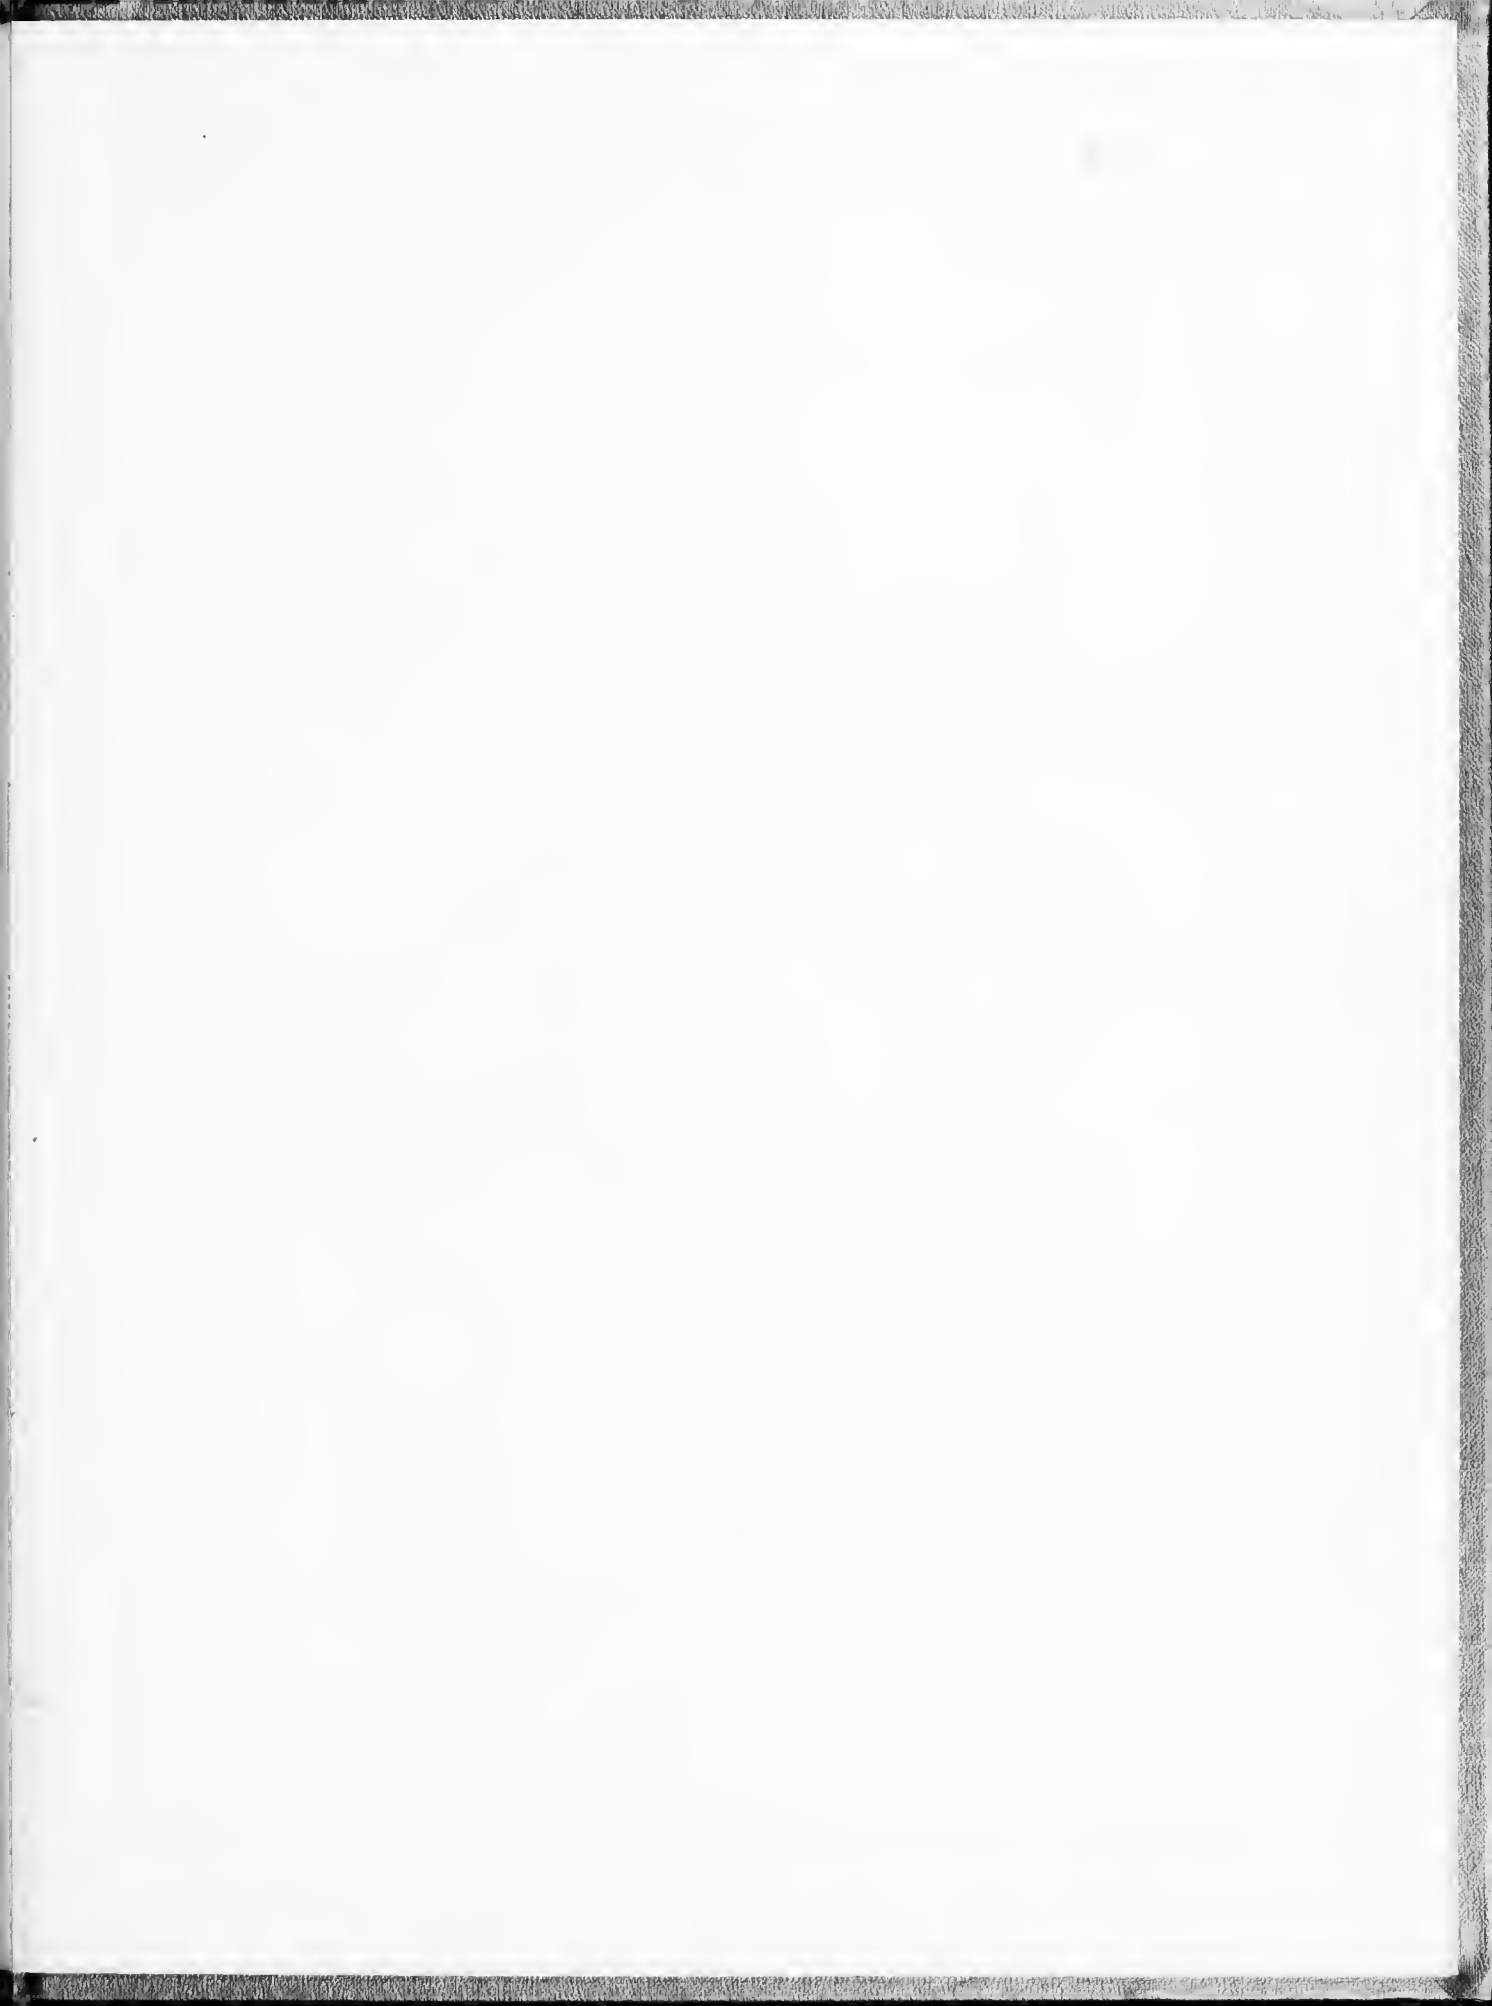

I'm extremely pleased that we have taken the lead here in Greensboro in terms of the banking industry going to the people.
